

Ridgewood Water District - Water Rates

The Ridgewood Water District has a minimum monthly service fee of \$42.00 dollars which includes up to 2000 gallons of water in that minimum fee. Additional usage beyond the 2000 gallons is billed according to the tiered usage chart below. A Capital Improvement fee of \$29.75 dollars is also billed to all patrons on a monthly basis which is used to improve and upgrade facilities of the District.

Ridgewood Water District's rates are applied on a tiered basis, with adjustments every 1000 gallons used. A Breakdown of the rate tiers are as follows:
